And thanks to all our M&T volunteers!

**AURORA**

## RAY MEYERS AN APPRECIATION

It's truly an honor for us to welcome Ray Meyers, sculptor of two of the most iconic Aurora monster model kits of the 1960's.  
The hobby we love today grew from the fantastic works of Mr. Meyers and others, such as the late Bill Lemon.  
Please help us in acknowledging Ray Meyers' ground-breaking contributions to the figure modeling hobby.
